Certificate of Analysis

Product Details		
Product name	Neem Extract	
Genus/species	<i>Azadirachta indica</i>	
Part used	Neem Seed Kernels	
Color and appearance	Yellowish powder	
Organoleptic characters	Characteristic odor	
Parameter	Standard Specification	Result
Physico-Chemical Analysis		
Moisture	Not more than 5 %	Complies
Ash (on dry basis)	Not more than 6 %	Complies
pH	6.2	Confirms
Azadirachtin technical content	15-25 %	Complies
Extract Ratio	8:1	Confirms
Heavy Metal Analysis		
Heavy metals	Not detected	Complies
Microbial Profile		
Total Plate Count	< 100cfu/gm	Complies
Salmonella	Absent	Confirms
E.Coli	Absent	Confirms
Packing	International Standard packaging	
Self life	2 years
